A man with pale skin and short hair is sitting in a black office chair, leaning forward with his head in his hands. He appears to be crying or in distress. He is wearing a light-colored long-sleeved shirt and dark trousers. He is seated at a dark wooden desk. On the desk, there is a vintage-style computer system consisting of a CRT monitor, a keyboard, and a large tower unit. The monitor displays a blue screen with some illegible text. To the left of the monitor, there is a small bottle and a glass. The floor around the desk is cluttered with papers, books, and other office supplies. In the background, there is a window with a view of a city skyline at night, and a framed picture hangs on the wall. The overall atmosphere is one of despair or exhaustion.
